

Cabopino Golf Marbella (Costa del Sol)

Enjoy your golf at a beautiful course and the best views in Costa del Sol at the same time

Cabopino Golf is situated on the border between Marbella and Mijas Costa, opposite the charming little marina of Cabopino. The course was designed by Juan Lignes Creus. The layout presents spectacular views of the Mediterranean Sea and the surrounding pine forest.

The course with 5.170 mts, and par 71 has three par 3's, two par 5's and the rest par 4's. Amongst the many spectacular holes, the par 4, 3rd would be one to mention. Your tee box perched on the side of the cliff, presents you with a tee shot that has a drop of nearly 200 mts. To the fairway, you then face an elevated green protected by a large bunker. Holes n^o 13 and 15 are also attractive, with streams and lakes. The tenth tee provides a magnificent view of the back nine and the Mediterranean Sea.

Cabopino Golf allows all categories of handicap golfers to enjoy a day out. At the entrance to Cabopino Golf we find the excellent facilities of the golf Academy and driving range. The driving range has a capacity for 60 players, with a depth of 250 mts, and 160 mts, wide distance markers, bunkers, and the natural layout amongst the pine forest make an interesting and challenging practise session. The academy offers classes for individual ladies and gentlemen, groups of children, and corporative groups.
